

Dear Friends and Supporters,

Freehold Borough PBA Local 159 is excited to announce our fifth annual golf outing. The outing will be held on April 21, 2025. The event will again be held at the beautiful Battleground Country Club located at 1 Covenhoven Rd., Manalapan, NJ 07728.

Our Policeman's Benevolent Association represents approximately 30 members from the Freehold Borough Police Department. We are a non-profit organization established with purpose of providing monetary, material, and volunteer assistance to our members and the community that we serve. It is through fundraisers like this outing that enable us to donate to and support local charities, civic associations, schools, disaster victims, and members of the community that are in need. We strive to support the community and families in need specially during these recent troubling times.

We as a PBA would like to thank you in advance for your participation and generosity during these times. Without your participation none of this could be possible. Your continued support and effort does not go unnoticed.

Our last four events have been huge successes with lots of fun. We have included more for you this year and have attempted to give you the best experience possible. We look forward to having you continue to grow this event and make it better each year.

Respectfully,
The men and women of PBA Local 159
