

R.W. William M. Krzewick, III

Grand Tyler, N.J. F.&A.M. - M.C.F. Trustee

Presents:

"The Quiet Watch – the West Gate"

Join us for a journey into the heart of Freemasonry at "The Quiet Watch – the West Gate." Through the tale of a Brother, Tyler of a lodge's West Gate, we explore the timeless tenets of Faith, Family, and Fraternity. Set against the stillness of night, this presentation unveils the craft's enduring spirit—where vigilance guards our legacy, and Brotherly Love, Relief, and Truth light our way.

Highlights:

- **The West Gate's Meaning:** A symbol of discernment, reflecting our duty to protect and uplift.
- **Three Tenets:** Faith in the Great Architect, Family as our root, Fraternity as our bond.
- **Legacy of the Past:** Honoring the brethren who carved our path through centuries.
- **Call to Action:** Stand as sentinels, keeping the lodge's flame alive with purpose.

Questions for you to Ponder:

What does it mean to guard your own West Gate?

How do we balance tradition with new light?

Be the Quiet Watch: Attend, engage, and renew your Masonic journey. Let's keep the pendulum swinging, the lantern glowing, and the craft strong—together.

Worshipful Master MP 294, Milltown N.J., 2025.
