**Freemasonry and the Summer Solstice: A Light Most Radiant**

As Freemasons, we are seekers of Light—always striving for knowledge, virtue, and the perfecting of our inner Temple. The Summer Solstice, the longest day of the year, symbolizes that Light in its fullest expression.

At this sacred point in the solar cycle, the sun stands still, bathing the world in brilliance. We must pause to reflect on the Light we've gathered on our Masonic journey—the truths we've discovered, the bonds we've strengthened, and the service we've rendered in the name of brotherhood and humanity.

The solstice reminds us that Light is not just illumination, but transformation. Just as the sun reaches its peak, we should strive to shine with integrity, compassion, and purpose, becoming beacons for others in times of darkness.

Let this season of radiant Light inspire us to recommit ourselves to the tenets of our Craft. As the sun begins its gentle descent, may the fire of our Masonic spirit continue to rise within.

So mote it be.

W. Bro. Fidiberto Soto Jr., Worshipful Master

## THE ART OF PERSUASION

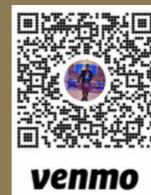

The good news for communicators is that Aristotle believed that persuasion can be learned and championed the idea that a person's ability to speak and write well, using rhetorical devices to change another's perspective, could unleash human potential and maximize happiness.

# *Scotland - the Birthplace of Freemasonry*

By:

**Brother Robert L. D. Cooper**

Well before the formation of the Grand Lodge of London and Westminster, speculative Freemasonry had already been flourishing in the thriving cities up north in Scotland. It would be the ritual, traditions and organization of Scottish Freemasonry that would go on to influence Freemasonry throughout the world.

*Phoenix Lodge No. 168 is proud to present this world acclaimed Masonic speaker. Brother Cooper served for almost 30 years as the Curator of the Grand Lodge of Scotland Museum and Library and is a Past Master of Quatuor Coronati Lodge, No.2076. Not only has he written extensively (books and articles) on Masonic matters but has also appeared on television and participated in radio programs around the world on the subject of Freemasonry. He has an abiding interest in all matters relating to Freemasonry prior to the Grand Lodge era with a particular interest in manuscript rituals (including pseudo-Masonic rituals from the 17th century). See his podcast at [www.magipodcast.com](http://www.magipodcast.com).*
