A Message from our Worshipful Master

From a Masonic standpoint, friendship, morality, and brotherly love are cornerstones upon which the Craft is built. Friendship among Masons is not merely social—it is a sacred bond formed through shared principles, ritual, and mutual respect. It transcends background, belief, and station, uniting men as equals under the divine light of truth.

Morality is the guiding force of every Mason. Freemasonry teaches its members to walk uprightly in their several stations, to act justly, love mercy, and seek truth. The moral teachings found in the working tools and symbols of the Craft serve as daily reminders to live a life of integrity and purpose.

Brotherly love is the first of the three principal tenets. It is the cement of the Fraternity, compelling every Mason to regard another as a true brother, extending compassion, assistance, and understanding without hesitation. In a world of division, Masonry calls its initiates to be peacemakers and builders of unity.

Together, friendship, morality, and brotherly love form a spiritual triad. In practicing these virtues, the Mason not only better himself but strengthens the Lodge, honors the Great Architect, and works toward the improvement of all mankind.

Desde una perspectiva masónica, la amistad, la moralidad y el amor fraternal son pilares fundamentales sobre los que se edifica la Orden. La amistad entre masones no es simplemente social; es un vínculo sagrado forjado a través de principios compartidos, rituales y respeto mutuo. Trasciende el origen, la creencia y la posición, uniendo a los hombres como iguales bajo la luz divina de la verdad.

La moralidad es la guía de todo masón. La Masonería enseña a sus miembros a conducirse rectamente, actuar con justicia, amar la misericordia y buscar la verdad. Las herramientas y símbolos del oficio nos recuerdan cada día vivir con integridad y propósito.

El amor fraternal es el primero de los tres grandes principios. Es el cemento de la Fraternidad, que impulsa a cada masón a ver en otro a un verdadero hermano, brindando compasión, ayuda y comprensión sin vacilación. En un mundo dividido, la Masonería llama a sus iniciados a ser pacificadores y constructores de unidad.

Juntas, la amistad, la moralidad y el amor fraternal forman una triada espiritual. Al practicar estas virtudes, el masón no solo mejora como individuo, sino que fortalece la Logia, honra al Gran Arquitecto y trabaja por el progreso de toda la humanidad.
