

Brethren,

Last night was the first meeting of Merchantville Mozart Lodge No 119 where we had a delicious dinner, lots of communication and brotherly fun throughout the evening.

#### DUES NOTICES:

These will be assessed as soon as we can. Please login to Grandview if you are able to and see if you have an outstanding balance. If it says Zero, then the below is all that's currently owed.

We are still waiting for access in the Grandview system to give us the new lodge to assess all members properly. Hopefully this will change soon and actual notices can go out, as well as proper communications.

Once you see an invoice, we have assessed the dues, but below is an informal notice.

#### BLUE CARDS:

I already plan to send every paid member a blue card as soon as we can order them and receive them from Grand Lodge.

If you do NOT want a blue card, please let me know when paying your dues.

If you DO want one, just pay your dues and let the magic happen.

Thank you for your patience while we straighten things out!
