Words from the East

Brethren, I hope you are all well and coping with this spell of typically challenging winter weather. Over the last few years, a good deal of effort and expense has been spent strengthening the infrastructure of our Lodge. While our building is old and still prone to problems, thanks in no small part to the skill of our Brothers, the heat, plumbing and overall function of the building is sound. Always remember that in times of trouble your Lodge is a place of refuge.

We have a busy month ahead of us. Everyone according to his own capabilities will be needed to fulfill our obligations. Our next District Lodge of Instruction is on February 4th at Gothic Mercer Lodge. All Master Masons should attend and be ready to exemplify our ritual.

On February 5 th we will be hosting our Brothers from Trenton Cyrus Lodge for a joint rehearsal of the Entered Apprentice Degree.

On February 6 th we will hold our regular Communication, but with a twist. All members attending are encouraged to dress in “Farmer” garb. The lecture that night will be given during the coalition hour by representatives of the TriCounty Farmers Cooperative. Afterward we’ll go upstairs, open, and conduct the business of the Lodge as usual.

On February 12 th we will be traveling to Trenton Cyrus Lodge for another joint rehearsal. In order to further the objective of building fellowship among the Craft, as well as all the other benefits doing so provides, Brothers are encouraged to car pool. Those Master Masons not participating in the rehearsal should come to our Lodge to do as Masons do.

On February 18 th we will be jointly conferring the Entered Apprentice degree at Trenton Cyrus Lodge. Whether you are participating in the degree or not all who are able are encouraged to attend and welcome our new Brothers.

Our Lodge is growing. It is an exciting and optimistic time. We are a Lodge of light, labor and leadership. Everyone has a part to play and I am honored to be able to walk this path forward with you. Laborare est orare.

Sincerely and Fraternally
Michael Kraus, PM
Worshipful Master

Words from the West

Brethren,

Masonic means much more than just the wearing of a pin or carrying a paid up dues card so the lodge will let you in. You must wear an emblem on your coat, from your finger flash a ring, but if you're not sincere at heart, it doesn't mean a thing. It's merely an outward sign to show the world that you belong to this great fraternal brotherhood that teaches right from wrong. It takes good men and makes them better. Always live up to your trust and do your best so you can proudly tell the world you are a Mason and ... a Man.

Ron Mayer
Senior Warden

Words from the South

Brothers,

your presence at our fellowship nights and practice sessions is truly valued and makes a meaningful difference in the life of our lodge. These gatherings are not just about perfecting our craft, they are opportunities to support one another, share stories, and strengthen the bonds that unite us as Masons. Whether you're new to the lodge or a seasoned member, each of us brings something unique to the table. Please know that all are welcome, and we encourage you to join us, participate at your pace, and enjoy the camaraderie and understanding spirit that defines our brotherhood.

Your involvement enriches our experience and helps our lodge thrive. You can involve yourself in many simple ways, either at the lodge or even from home. If you need any assistance, wish to talk about ways of getting involved, or just need an ear from a brother, please contact me. My phone number is (908) 309-5557, and my email address is tomreynolds336@gmail.com. May the Almighty Father of the Universe keep you all safe and well.

Fraternally,
Thomas Peter Reynold

EDICT

Brothers,

I hope this message finds you well and in good health.

I will be holding two Town Hall meetings on Saturday, February 28th. The first meeting will begin with fellowship and a light breakfast at 9:00 a.m., followed by the meeting at 9:30 a.m. at Crescent Shrine. The second gathering will open at 2:30 p.m. for fellowship and refreshments, with the meeting commencing at 3:30 p.m. at Salaam Shrine. These Town Halls will provide an opportunity to share important updates with the brethren, discuss new initiatives, and allow members of the Craft to ask questions and engage in open, honest, and respectful dialogue.

Due to personal health matters affecting members of our Grand Lodge staff, several urgent issues requiring immediate attention, and the emergence of a potential lawsuit related to decisions I might make, a number of reports and discussions were delayed in being submitted to me. As a result, I will be extending all edicts through February 28th, following the conclusion of the Town Hall meetings. At that time, I will present a full and transparent report detailing these matters, its origin, and their outcomes.

It was my sincere hope to have these issues resolved sooner; however, several of these challenges were unavoidable. Decisions that significantly impact the peace and harmony of our Craft must be carefully weighed and thoughtfully considered in the best interests of the fraternity as a whole, not individual interests, regardless of external pressures, threats of litigation, or circulating rumors.

Despite some of the isolated challenges we face as a jurisdiction, I remain deeply inspired by the current state of our fraternity. Each installation of our 2026 officers was filled with fellowship, laughter, family, and genuine love—clear reminders of the strength of our bond and our shared commitment to one another. Let us continue to Educate one another through shared knowledge and understanding, Elevate our conduct and behavior within the Craft and our communities, and Empower every Brother to serve, lead, and grow with confidence and purpose. Above all, let us remain our brother's keeper and walk uprightly as true and faithful Masons, united in purpose and dedicated to this remarkable fraternity we love.

I love you ALL, and there is nothing you can do about it.

Omar Morris

The Past Masters Workshop

A Freemason's Guide to Modern Business Practices

What: Through this workshop each participant will be given all the tools and techniques necessary to develop him as an invaluable asset to the operation of a successful and sustainable Lodge. The Brethren will learn actual tried-and-true management techniques, which will enable them to improve the Lodge experience, while ensuring that the Brethren of the Lodge are sufficiently challenged to keep them invigorated and involved. Armed with these techniques, they will be better enabled to see that every goal is met, and the Lodge delivers all that Freemasonry has to offer.

Why: This workshop has been specifically designed to empower the Immediate Past Master and enable him to become a value-added asset to the incoming Worshipful Master and the Brethren of the Lodge. By offering these methods, tools and templates to Brethren as they work their way through the officer line, they will be better prepared to make the most of their long-term role as Past Master.

Where/When/How: This workshop can be scheduled by a Lodge or District, anytime that is most convenient. To schedule a workshop, we will require a minimum of 10 participants together with a space to accommodate a comfortable work environment.

Who: Jr. & Sr. Wardens, Worshipful Masters and Past Masters.

Format:

- A **four-hour workshop** will be facilitated by Masons, who are trained management professionals.
- An **interactive presentation** will be guided by various tools, formats and a PowerPoint.
- Each participant will leave with a detailed **Handbook for continuous reference**.

Did You Know?

Most people throw away their used sneakers every 125-200 days without ever thinking about recycling. Since sneakers are manufactured with materials that are not biodegradable, they remain in landfills or are incinerated, which leads to toxic chemicals in our air and soil.

The process of manufacturing sneakers produces large amounts of CO2 which contributes to the serious effects of climate change and global warming. Recycling and reusing sneakers keeps sneakers out of landfills, reduces the need for manufacturing new shoes and sneakers, and supports a growing circular economy.
