MENSAJE DEL ESTE

S :F :U :

QQ:HH:,

Desde el Oriente, donde nace la Luz que guía nuestros trabajos, les recuerdo que ninguna obra digna se levanta sin esfuerzo constante ni se sostiene sin la unión de sus miembros . La Masonería nos enseña que el trabajo honesto y disciplinado es el medio por el cual perfeccionamos la piedra bruta que cada uno representa.

Cada Hermano es una piedra bruta dentro de la logia que estamos construyendo. Por sí sola, una piedra tiene poco valor, pero unida a las demás, colocada con cuidado, da forma a una obra firme y duradera. El trabajo individual nos da valor personal, pero es el trabajo en conjunto el que da verdadero significado a nuestra labor masónica.

Una logia sin valores, sin hermandad, y sin confianza es como una piedra sin Fe. Hermanos la confianza es el valor que crea la hermandad. Una piedra no tiene dos cara, una piedra se pule por igual en todos lados. Los valores de la logia se miden por etica y sus principios. Y al romper esos valores es como destruir la piedra que tan duro trabajamos para pulir.

Cuando trabajamos unidos, dejando a un lado el orgullo y poniendo el bien común por encima del interés personal, somos capaces de alcanzar metas que parecían imposibles. La unión, el respeto y la cooperación son el cemento invisible que mantiene fuerte a nuestra Logia.

Les exhorto, QQ:HH:, a trabajar con constancia, a apoyarse mutuamente y a recordar siempre que el progreso de un Hermano es el progreso de todos. Que nuestras manos no se cansen, que nuestros corazones permanezcan unidos y que nuestros trabajos sean siempre dignos del Gran Arquitecto del Universo.

Desde el Oriente,

Jovian Hernandez

Venerable Maestro

Resp. Log. Salomon No. 306

MESSAGE FROM THE EAST

S :F :U :

DD:BB:,

From the East, where the Light that guides our labors is born, I remind you that no worthy work is raised without constant effort, nor sustained without the unity of its members. Freemasonry teaches us that honest and disciplined labor is the means by which we perfect the rough ashlar that each of us represents.

Each Brother is a rough ashlar within the lodge we are building. By itself, a stone has little value, but united with the others, carefully set in place, it gives form to a strong and enduring work. Individual labor gives us personal worth, but it is collective labor that gives true meaning to our Masonic work.

A lodge without values, without brotherhood, and without trust is like a stone without faith. Brothers, trust is the value that creates brotherhood. A stone does not have two faces; it is polished evenly on all sides. The values of a lodge are measured by ethics and principles, and to break those values is like destroying the stone we have worked so hard to polish.

When we work united, setting aside pride and placing the common good above personal interest, we are capable of achieving goals that once seemed impossible. Unity, respect, and cooperation are the invisible cement that keeps our Lodge strong.

I exhort you, DD:BB:, to work with constancy, to support one another, and to always remember that the progress of one Brother is the progress of all. May our hands not grow weary, may our hearts remain united, and may our labors always be worthy of the Great Architect of the Universe.

From the East,

Jovian Hernandez

Worshipful Master
