March 30, 2026

Dear Brethren,

On behalf of the Board of Trustees of the Masonic Charity Foundation and the Masonic Village at Burlington, I would like to take a moment to provide you with an important update regarding the sale of the Masonic Village at Burlington.

As previously communicated, we had anticipated a closing date of March 31, 2026. However, due to ongoing regulatory review processes, the closing timeline has been extended. We are now hoping for a revised closing timeframe of early June 2026.

Please be assured that we are working closely with our buyer and the appropriate regulatory bodies, including the New Jersey Attorney General's Office, the Department of Health, and the Department of Community Affairs, to move this process forward as efficiently and responsibly as possible. These reviews are a necessary and important part of the transaction and reflect the level of oversight required to ensure a smooth, compliant, and well-executed transition.

While the timeline has shifted, progress continues to be made, and we remain confident in the path forward. We believe it is important to keep everyone informed, and we are committed to maintaining transparency throughout this process.

We understand that updates like this may raise questions, and we sincerely appreciate your continued patience, understanding, and support. Our priority remains ensuring a smooth transition while upholding the mission, values, and long-term sustainability of the Masonic Charity Foundation.

We will continue to provide updates as we move closer to closing.

Thank you for your continued commitment to our community.

Sincerely & Fraternaly,
