Olive Branch Lodge No. 16 F. & A. M.

September 18, 2026

Dear Friends of Olive Branch Lodge #16,

It is with great pride and anticipation that Olive Branch Lodge #16, Free and Accepted Masons, invites you to be part of a special evening dedicated to honoring our tradition, celebrating brotherhood, and gathering with family and friends to create lasting memories.

On Saturday, April 24, 2027, from 6:00 PM to 10:00 PM, we will hold our Gala at the historic American Hotel in downtown Freehold, New Jersey. This landmark setting, in the heart of Monmouth County, provides a meaningful backdrop for an evening that will reflect both the enduring legacy of our Lodge and the deep roots we share with the community we proudly call home.

Since our inception in 1849, Olive Branch Lodge #16 has been a place of fellowship, service, and shared purpose. Our history is closely connected to Freehold and Monmouth County, a region rich with Revolutionary heritage, including the Battle of Monmouth, fought in 1778, in and around the Freehold area. As we gather in this historic community, we do so with gratitude for those who came before us and with excitement for the memories still to be made.

This Gala is more than a formal celebration. It is an opportunity for brothers, family, friends, neighbors, and community partners to come together in the spirit of brotherly love, relief, and truth. It is a night to honor our past, celebrate the bonds that unite us today, and look forward to the future of Olive Branch Lodge #16 with renewed pride and purpose.

In connection with this memorable evening, we will publish a commemorative program featuring advertisements, congratulatory messages, family tributes, and expressions of support from businesses, organizations, Lodge members, loved ones, and friends. We invite you to participate by purchasing an ad in the program and by joining us for this special celebration.

Your support will help make this Gala a meaningful and memorable occasion while also demonstrating your connection to the values of tradition, brotherhood, family, friendship, and community. Whether you choose to promote your business, recognize the Lodge, or simply offer congratulations, your message will become part of a keepsake program that guests can look back on for years to come.

With sincere gratitude and fraternal appreciation,

Kevin Vogel
Gala Coordinator
