

TRESTLEBOARD

From the East

MICHAEL KRAUS
PM, WORSHIPFUL MASTER

Greetings Brethren,

We have tried to preserve the communion and fellowship of our Lodge through the summer months gathering regularly and participating in Masonic activities whenever and wherever possible. Now it is time to get back to doing the work of Masons, the work we have all sworn a solemn oath to do.

October 2nd will be our first regular communication in over three months. I can't wait to see you all again in a tiled Lodge, wearing your aprons, united as Brothers. Please make every effort to be there; family, business and health permitting. Use our coalition time to hold Masonic communication with each other. Renew and strengthen the mystic ties that bind us together.

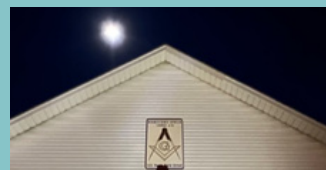

The next significant order of business for the Lodge is the Ducky Derby. We do this not only to raise the profile of the Lodge in the community, but also to make a little money. Every little bit helps to keep the lights on and assure that we have a safe, secure Masonic home to call our own. Support this effort every way you can: buy ducks, tell your friends, assist at the table.

The rest of the year will be fast paced and dynamic. The demands will be great, but so will be the rewards. As we raise the Lodge, we raise each other, and as we raise each other, we ourselves are raised again as we were the day we first became Masons.

Audi, vide, tace, si vis vivere in pace.

Sincerely and Fraternally,

Michael Kraus, PM
Worshipful Master

TRESTLEBOARD - October 2026

From the West

RON MAYER
SENIOR WARDEN

Greetings from the West,

Brethren,

I will be having foot surgery on September 29, which will have me laid up for six to nine weeks. I'll be looking forward to getting back to the Lodge.

There are two full moons in October. Mark your calendar accordingly and take care of yourself.

Our open installation for officers for the upcoming year is 1 p.m. on Saturday, December 12. The installation will be an open Lodge, so family and friends may attend.

If you've never been to an installation before, it's very impressive and an honor to see it done. The brethren put a lot of time and effort into it.

God bless you all.

Fraternally,
Ron Mayer
Senior Warden

From the South

THOMAS PETER REYNOLDS
JUNIOR WARDEN

Greetings from the South,

Brethren,

October reminds us that there is wisdom in letting go. As the trees shed their leaves, we might consider what we too should cast aside—pride, resentment, anger, or anything that obstructs our labor.

The rough ashlar is perfected not by what is added, but by what the craftsman removes. So too must we continually apply the working tools to ourselves.

As the days grow darker, remember: darkness does not extinguish the Light—it teaches us to seek it.

Fraternally,
Your Brother in the Craft
Thomas P. Reynolds, JW

“When the Master governs with wisdom and the Wardens uphold with loyalty, the Lodge stands firm and united”

The Past Masters Workshop

A Freemason's Guide to Modern Business Practices

What: Through this workshop each participant will be given all the tools and techniques necessary to develop him as an invaluable asset to the operation of a successful and sustainable Lodge. The Brethren will learn actual tried-and-true management techniques, which will enable them to improve the Lodge experience, while ensuring that the Brethren of the Lodge are sufficiently challenged to keep them invigorated and involved. Armed with these techniques, they will be better enabled to see that every goal is met, and the Lodge delivers all that Freemasonry has to offer.

Why: This workshop has been specifically designed to empower the Immediate Past Master and enable him to become a value-added asset to the incoming Worshipful Master and the Brethren of the Lodge. By offering these methods, tools and templates to Brethren as they work their way through the officer line, they will be better prepared to make the most of their long-term role as Past Master.

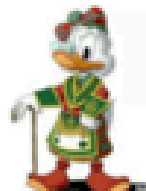

Where/When/How: This workshop can be scheduled by a Lodge or District, anytime that is most convenient. To schedule a workshop, we will require a minimum of 10 participants together with a space to accommodate a comfortable work environment.

Who: Jr. & Sr. Wardens, Worshipful Masters and Past Masters.

Format:

- A **four-hour workshop** will be facilitated by Masons, who are trained management professionals.
- An **interactive presentation** will be guided by various tools, formats and a PowerPoint.
- Each participant will leave with a detailed **Handbook for continuous reference**.

Did You Know?

Most people throw away their used sneakers every 125-200 days without ever thinking about recycling. Since sneakers are manufactured with materials that are not biodegradable, they remain in landfills or are incinerated, which leads to toxic chemicals in our air and soil.

The process of manufacturing sneakers produces large amounts of CO2 which contributes to the serious effects of climate change and global warming. Recycling and reusing sneakers keeps sneakers out of landfills, reduces the need for manufacturing new shoes and sneakers, and supports a growing circular economy.
