

THE MASTER'S MESSAGE

Brethren-

Another grain of sand has passed through the eye of the hourglass and with it, we have a chance to look back on what we've accomplished. In the last month our mighty brotherhood has passed five candidates to the degree of Fellowcraft, prepared three more in waiting for an Entered Apprentice and set our sights on a number of events to create long lasting memories for participants.

Coming into this year, our lodge was tasked with shaking off the chains of a pandemic and closing the gap on so many distant goals. I'm proud to say that we are achieving all that we set before ourselves. Ah, but the year is so far from over and there is much to do, with so little time left.

I implore the brothers reading this message to come back to lodge to participate in the momentum our organization is building upon. I implore every mason to reignite their passion for the craft and participate in the upcoming schedule. Remember that next year is promised to no one. Don't squander these opportunities...while traveling upon the level of time to the undiscovered country, from whose bourne no traveler returns.

I look forward to seeing you at our next regular communication.

Fraternally yours,

Phillip Shetsen, Worshipful Master
