JANUARY 2025
MESSAGE FROM THE EAST

Brethren,

Understanding the Trestle Board's Role

The Masonic Trestle Board remains an essential tool in modern freemasonry, bridging ancient practices and with contemporary needs. Historically operative Masons used it as a drawing surface for architectural plans but it evolved into a symbolic guide for speculative Masons, representing the blueprint of moral and spiritual growth.

Today the Trestle Board functions as both an educational and ritualistic aid. In lodge meetings it visually conveys complex Masonic symbols and teachings as well as supporting members' understanding of ethical and philosophical principles. This visual reinforcement compliments oral teachings helping members to internalize key lessons. During ceremonies, the Trestle Board also serves as a reference, ensuing the rituals order and symbolic meanings are upheld.

Modern technology has further adapted the Trestle Board's role. Some lodges now use digital boards that can display dynamic visuals, making the content more accessible while preserving tradition of symbolism. These digital boards allow Masons to store, customize, and present complex information, providing a modern approach to and age-old practice.

Ultimately the Trestle Board symbolizes careful planning structure and self-improvement within freemasonry. It's continued use, whether in traditional or digital form, highlights its roles in guiding Masons on a journey of personal growth, connecting them to the enduring values of their fraternity across centuries.

Fraternally,
Robert H. Spicer
Worshipful Master

My Brother,

On behalf of the Strategic Planning Committee, we would like to thank you for taking the time to complete the first State-wide survey across New Jersey Freemasonry in recent history. Since the survey closed in July, the team actively worked on aggregating the results and sharing the data with our Elected Line. We truly appreciate the over 1,000 brothers who completed the survey, and would like to share a several statistics from the results.

Our next steps will provide each DDGM an individual results package for his respective district. This will include deeper analytics and recommendations based the survey responses and open-ended feedback. Additionally, we will work with other Grand Lodge committees to ensure your responses and feedback help guide those committees to what is most important and lead to actionable outcomes.

Finally, as we look back at the survey responses, we wanted to share the results of the last question – which was to share something amazing about New Jersey Freemasonry. The most common and most frequently used words were BROTHERS and BROTHERHOOD! What amazing words to describe our fraternity.

Fraternaly Yours,

2024 Strategic Planning Committee
